## §611.326

serve on the association's nominating committee.

(b) *Election.* Farm Credit banks and associations may use in-person (including use of an online medium and proxy ballots) or mail balloting procedures to elect a nominating committee.

(1) Farm Credit banks and associations must provide voting stockholders the opportunity to vote on the candidates for each nominating committee position.

(2) Association nominating committee members may only be elected to a 1-year term. Farm Credit Banks must use weighted voting, with no cumulative voting permitted, when electing members to serve on a nominating committee. Farm Credit banks and associations may permit nominating committee members to be re-nominated and stand for re-election to serve successive terms.

(c) *Conflicts of interest.* No individual may serve on a nominating committee who, at the time of election to, or during service on, a nominating committee, is an employee, director, or agent of that bank or association. A nominating committee member may not be a candidate for election to the board in the same election for which the committee is identifying nominees. A nominating committee member may resign from the committee to run for election to the board only if the individual did not attend any nominating committee meeting.

(d) *Responsibilities.* It is the responsibility of each nominating committee to identify, evaluate, and nominate candidates for stockholder election to a Farm Credit bank or association board of directors. A nominating committee's responsibilities are limited to the following:

(1) Nominate individuals who the committee determines meet the eligibility requirements to run for open director positions. The committee must endeavor to ensure representation from all areas of the Farm Credit bank's or association's territory and, as nearly as possible, all types of agriculture practiced within the territory.

(2) Evaluate the qualifications of the director candidates. The evaluation process must consider whether there are any known obstacles preventing a

candidate from performing the duties of the position.

(3) Nominate at least two candidates for each director position being voted on by stockholders. If two nominees cannot be identified, the nominating committee must provide written explanation to the existing board of the efforts to locate candidates or the reasons for disqualifying any other candidate that resulted in fewer than two nominees.

(4) Maintain records of its meetings, including a record of attendance at meetings.

(5) Identify, evaluate, and nominate eligible individuals for service on the next nominating committee, if permitted by the institution.

(e) *Resources.* Each Farm Credit bank and association must provide its nominating committee reasonable access to administrative resources in order for the committee to perform its duties. Each Farm Credit bank and association must, at a minimum, provide its nominating committee with FCA regulations and guidance on nominating committees, a current list of stockholders, the most recent bylaws, the current director qualifications policy, and a copy of the policies and procedures that the bank or the association has adopted pursuant to §611.320(a) ensuring impartial elections. On the request of the nominating committee, the institution must also provide a summary of the current board self-evaluation. The bank or association may require a pledge of confidentiality by committee members prior to releasing evaluation documents.

only allow nominations from the floor at the first session of the annual meeting.

(2) If floor nominations are permitted by a Farm Credit bank's election policies and procedures, voting stockholders must be allowed to make floor nominations for every open stockholder-elected director position and a physical meeting space must exist. Before every director election by a Farm Credit bank, the bank must inform voting stockholders whether floor nominations will be accepted.

(c) Each association's board of directors must adopt policies and procedures for making and accepting floor nominations of candidates to stand for election to its board of directors. Each Farm Credit bank's board of directors allowing nominations from the floor must also adopt policies and procedures for making and accepting floor nominations. Policies and procedures for floor nominations must, at a minimum, provide that:

(1) Floor nominations may only be made after the nominating committee has provided its list of director-nominees.

(2) No more than a second by a voting stockholder to a nomination from the floor is required. After receiving a floor nomination, the floor nominee must state if he or she accepts the nomination.

(3) Floor nominees must make the disclosures required by §611.330 of this part.

### **§611.330 Disclosures of Farm Credit bank and association director-nominees.**

(a) Each Farm Credit bank and association's board of directors must adopt policies and procedures that ensure a disclosure statement is prepared by each director-nominee. At a minimum, each disclosure statement for each nominee must:

(2) List all business interests on whose board of directors the nominee

serves or is otherwise employed in a position of authority and state the principal business in which the business interest is engaged.

(3) Identify any family relationship of the nominee that would be reportable under part 612 of this chapter if elected to the institution's board.

(b)(1) Floor nominees who are not incumbent directors must provide to the Farm Credit bank or association the information referred to in this section and in §620.6(e) and (f) of this chapter. The information must be provided in either paper or electronic form within the time period prescribed by the institution's bylaws or policies and procedures. If the institution does not have a prescribed time period, each floor nominee must provide this information to the institution within 5 business days of the nomination. If stockholders will not vote solely by mail ballot upon conclusion of the meeting, each floor nominee must provide the information at the first session at which voting is held.

(2) For each nominee who is not an incumbent director or a nominee from the floor, the nominee must provide the information referred to in this section and in §620.6(e) and (f) of this chapter.

(c) Each Farm Credit bank and association must distribute director-nominee disclosure information to all stockholders eligible to vote in the election. Institutions may either restate such information in a standard format or provide complete copies of each nominee's disclosure statement.

(1) Disclosure information for each director-nominee must be provided as part of the Annual Meeting Information Statement (AMIS) issued for director elections in accordance with §620.21(b) of this chapter.

(2) Disclosure information for each director-nominee must be distributed or mailed with ballots or proxy ballots. Farm Credit banks and associations must ensure that the disclosure information on floor nominees is provided to voting stockholders by delivering ballots for the election of directors in the same format as the comparable information contained in the AMIS.
